Mandurah Community Gardens Inc

Garden Friendly Rules

Get Informed and Share

- Check our garden notice board
- Feel free to leave messages in the communication book in the shed
- Visit us on Facebook or Pinterest
- For more information, visit our website subscribe to our newsletter, or send us an email to info@mandurahcommunitygardens.com.au

Get Involved

- Garden groups meet every Tuesday afternoon from 3pm and Saturday morning from 9.30am to work on a variety of projects or have a cuppa and a chat.
- Community busy bees and workshops are held on a Saturday, the dates and details are available on the Calendar of events on our website – everyone is welcome to attend!

INFORMATION FOR MEMBERS

Being a Member

- Memberships and plot renewals are due each year, gate code is changed each year.
- Returning plot holders will be given first preference.
- Current plot holders are listed on the shed map, please speak to the coordinator on available plots.

Attend Your Plot Regularly

- Try to visit your plot at least once each week.
- Weed around your plot and pathway.
- Your produce may be removed by volunteers if it is ridden with disease or pests.

Growing and Picking Produce

- Member plots and produce are reserved for current plot holder(s).
- Please do not pick from other people's plots.
- Feel free to enjoy the community space in the sign posted areas.

We are Family Friendly

- Keep our garden safe for the community, children, and other gardeners.
- Do not bring anything that will compromise the safety of the garden.

Be Responsible

- An enjoyable gardening experience for all is the primary goal of this garden.
- Observe the rules of the garden and be a good neighbour.
- Organic principles apply - no chemical pesticides or herbicides to be used.
- Help us be litter, debris and weed free.
- Kindly pick up after your dogObserve the compost and recycle systems – refer to signs.

Keep it Tidy

- Help us maintain a clean shed and toilet.
- Report any damages.

Going Away?

- Plot holders should use the “PLOT SIT” sign if you are unable to care for your plot for any reason.

Conserve Water

- Please do not modify the reticulation, any questions ask the Retic Coordinator.
- Use mulch such as compost, leaves, straw and hay.
- Use clay or a wetting agent to retain the moisture of the soil.

We have a Worm Farm

- Let’s keep them happy - refer to the signs for more information.

Coming and Going to the Garden

- All visitors (including non-members) must sign in to the visitors book.
- Help us remain a friendly, safe garden.
- LAST TO LEAVE: Please LOOK and LOCK the shed, toilet and gate.
